BOXED PLANT PRICES

For establishing plants in boxes and tubs, up to and including 16-inch size, an additional 25% above balled price will be charged. For specimens in larger boxes the following prices will prevail: (Inasmuch as nursery stock varies considerably in large sizes, most specimens have to be priced individually; however, the following prices represent the minimum for average plants in the containers of the sizes listed.)

18 in. boxes	9.00	30 in. boxes	30.00
20 in. boxes	12.00	36 in. boxes	45.00
22 in. boxes	15.00	42 in. boxes	55.00
24 in. boxes	18.00		

The above prices include delivery (but not planting) and a guarantee that the plant will root and grow for a period of one year.
